

# Discover Day

How will you discover your career?

## Do what you love

We support you in pursuing your passion. Know what excites you? We'll help you build your career around it.

## Map your own future

We'll help you get where you want to go. Still exploring? We'll help you on your way.

## Be who you are

We like you just the way you are. Microsoft embraces and celebrates diversity in all its forms.

## Impact the world

Want to make a difference? So do we. Join a team that makes empowering others a top priority.

Place a sticker on the panel that describes how you will achieve your career goals!
